

Health and Safety Officer

I think about and remind the group about health and safety.

Equipment Officer

I listen carefully to the group then collect and organise the equipment.

Chief Recorder

I keep records of our results and observations.

Communications Officer

I encourage each member of our group to share their ideas and report back to the class when asked.

Equipment and Health & Safety Officer

I think about and remind the group
about health and safety.

Chief Recorder

I keep records of our results and
observations.

Communications Officer

I encourage each member of our group
to share their ideas and report back
to the class when asked.
